I am always eager to learn in every field. Since 2021, I have been passionate about computer science. I am confident in team collaborations and exchanging ideas with my colleagues. Additionally, I continually develop myself every day with a lifelong learning model. I believe that I can bring new visions to my colleagues or the company I work for.

EDUCATION

2019-2021

Namık Kemal Üniversitesi
associate degree

COURSES AND CERTIFICATES

2023/

42 ecole

42 is a coding school, recognized as one of the best in the world, with an innovative and disruptive educational model, based on a peer-to-peer, project-based, and gamified learning system. Founded in Paris in 2013, 42 is present in more than 30 cities worldwide, offering anyone over 18 years old the opportunity to learn to program for free. Despite having many students who joined 42 without any prior code experience, the school's employability rate is 100%.
